WORK EXPERIENCE

VIDA

May 2021 – August 2021

Software Engineering Intern

(Remote) Jakarta, Indonesia

- VIDA is a cybersecurity startup based in Indonesia with a focus on Digital Identity and identity verification.
- As an intern, I helped develop a client-facing video-conference web app using Angular, with a primary use case being verifying a user's identity before onboarding them to one of VIDA's products.

Tokopedia

June 2018 – August 2018

Software Engineering Intern

Jakarta, Indonesia

- Tokopedia is one of Indonesia's leading tech companies specializing in e-commerce (tokopedia.com)
- As an intern, I handled scripting tasks for debugging and functionality verification of new UI/UX features before release.

EXTRACURRICULARS

Indonesian Students Association @ BU (ISABU)

September 2021 – Present

VP of Cultural Affairs

Boston, MA

- ISABU is the Indonesian Student's Association at BU
- Organized events pertaining to Indonesian culture and history and am currently in the process of collaborating with other culture clubs at BU to create a joint event in the Spring '22 semester.
